

Course 2 Math Syllabus: Mrs. Judson

Email: kjudson@slvusd.org

Website: <http://www.na.slvusd.org/>

(For website, go to above site, then 7th-8th grade, then downloads, then math)

Dear Parents and Students,

Hello and welcome to the new school year at the Nature Academy. I look forward to the upcoming school year and working with all of you to help you reach your academic and personal goals. This syllabus will hopefully answer any questions that you have before getting started this year, and if you have any other questions, please e-mail me and let me know!

Required Materials:

- Spiral Notebook (specifically for this class and not to be shared with other subjects)
- Pencils
- Planner (if possible a planner would be a good aid for staying organized)

Grading Policy:

75% Tests and Quizzes, 25% Homework, Projects, Other

A: 90-100

B: 80-89

C: 70-79

D: 60-69

F: 59 and below

Grade Behavior Expectations

- * Treat everyone with respect
- * Be prepared and responsible for work and materials
- * Abide by the rules and expectations of the Nature Academy

Homework

Homework will be given as a reinforcement of the material presented in class on a daily basis and should be completed **only with pencil**. I usually allow time at the end of class to begin homework, that way I can clarify any questions or concerns the students may have. Homework counts for 25% of each student's grade and is due the following day, unless otherwise noted. Homework will be regularly posted on my website. Homework is graded on a completion scale, and if a student is struggling with a challenging problem, they simply need to make an attempt at it. Each assignment will be written on students assignment logs. The logs will be stamped for completion and collected at the end of each unit for a grade.

Notebooks:

The spiral notebooks that are required will hold the notes taken daily in class as well as each homework assignment. Students are expected to take notes daily.

Tests and Quizzes:

Tests will be given at the end of each unit and at the end of each grading period. Quizzes will be given throughout each unit.

Please sign below and return to class by Friday, August 27th.
