

King Arthur - His Knights and Their Ladies

Arthur, a legendary medieval king, united Britain, pledging to use *Might For Right* rather than insisting that *Might Makes Right*. This was a major change in how powerful people used their power. It is still a key issue today throughout the world.

Directions:

Each of the following characters or terms relates in some way to the legends that champion King Arthur. You will be tested on these characters and terms. Be familiar with them!
