

KNIGHT/CHIVALRY ASSIGNMENT -

Due: _____

1. Gather information:

- Read the handout provided from “The Age of Chivalry” in *Medieval Civilization Packet* (may be viewed/downloaded from the Nature Academy website).
- Read the information in the “Knights/Chivalry” document posted on the NA website.
- Read pages 263-265 in your history textbook: *Across the Centuries*.

Some other relevant websites include:

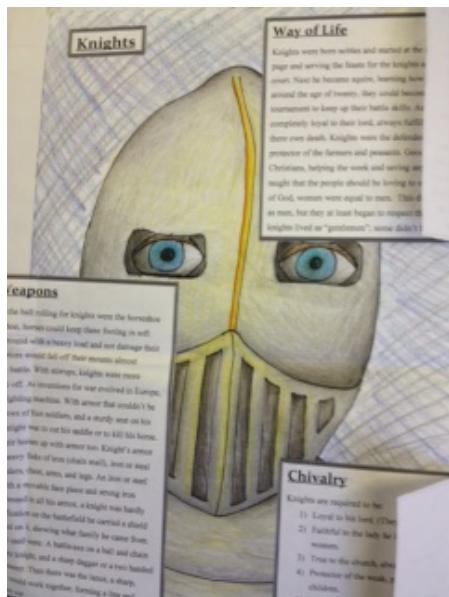

<http://library.thinkquest.org/10949/fief/medknight.html>

http://www.britainexpress.com/History/Knights_and_Fights.htm

<http://www.middle-ages.org.uk/knights-code-of-chivalry.htm>

2. IN YOUR OWN WORDS,

- Describe the life of a medieval knight.
 - Include the stages involved in becoming a knight.
 - Describe the code of chivalry that knights were to follow.
- Remember, you must express everything in your own words- no copying directly from internet. Use white 8.5”-11” or 8.5”-14” paper (not cardstock- too hard to glue into notebook.) You may fold the paper once, so you can glue it in (after it’s been graded.) Remember, all text must be in ink. Name on lower right.

This is an example of how one student addressed this assignment. I deliberately made sure that some of the parts folded in... Even without seeing it in its entirety, you can see that this project is neat, complete, and comprehensive! (It also reflects a high degree of artistry.)

Projects will be assessed using the Projects rubric.
