

Nature Academy Russian River Overnight and Canoe Trip

The Nature Academy is going to the Russian River for some personal challenge and team building fun on Thursday, September 30. We will return on Friday, October 1.
(<http://www.burkescanoetrips.com/> for information on where we will be going/staying)

- Cost for the trip is \$60 per participant—this includes camping, breakfast, canoeing, and transportation there and back.
- Participants also need to bring \$20 cash for dinners, two bag lunches (one waterproofed and non-perishable) and the items on the packing list (to be provided)
- Tent sharing will be coordinated in class.
- Participants will be walking across the Golden Gate Bridge on the way to Burkes.
- We will meet at Felton Fair Safeway parking lot at 9:30am Thursday. There will be no school in the morning.
- Parents are responsible for providing transportation home from SLE parking lot the evening of Friday, October 1. We expect to return around 9pm, but exact time will depend upon traffic. Drivers will call Friday evening when they are close to Felton.
- We welcome all parents who want to participate. The more adults, the better! In the unlikely event there are not enough canoes to accommodate everyone, priority will be given to the students.

Turn in this form and \$60 by 8am, Friday, September 24.
LATE FORM = NO GO!

We must have signed forms for **ALL** students attending.

Student Name: _____ Age on Sept 30: _____

Parent Phone Number: _____ Parent Cell: _____

Parent Signature "Okay to go": _____
