

Excursion Time!

Mt. Hermon Team-Building and High Ropes Course

On Thursday, September 13 we will be going to Mount Hermon High Ropes Course for a personal challenge and team-building experience! We need to be at the course by 8:45 am. We will finish at 2:30 and return to SLVMS approximately 2:45. Drivers are needed! Parents are welcome to stay and cheer kids on! This year, Mt. Hermon staff included a letter for chaperones. If you plan to chaperone, please read it- it's very helpful and includes suggestions that are valid for most excursions!

Students should bring a bag lunch and snack including a full WATER bottle. Please wear comfortable clothes (overly loose pants are not a good match for climbing harnesses- natural consequences will be UNCOMFORTABLE!)

Please sign the waiver form for your child.

Parents are responsible for transportation home from SLVMS.

Donation for the trip is \$ 35. Checks can be made to Nature Academy Parent Council.

*****Cut here and return by Friday, September 7*****
***late/missing slip = Parent must provide own transport to and from Mt. Hermon ***
*****ALL ASSIGNMENTS MUST BE IN TO PARTICIPATE!*****
